

Dear Nanny Employer,

We hope this letter finds you well. We are writing to extend a heartfelt invitation to your nanny for our upcoming self-care retreat. The Nanny Tees 10th Anniversary Self-Care Retreat is taking place June 5-8, 2025, at The Summit Hotel in Cincinnati, OH. This retreat is designed to help nannies relax, recharge, and grow, ensuring they continue to provide the best care for your family. We believe it is important for nannies to take time for themselves and prioritize their own well-being.

Why Sponsor Your Nanny? The self-care retreat is an experience for relaxation, rejuvenation, and personal growth. During the retreat, attendees will have the opportunity to participate in various activities promoting self-care and personal development. From stretch sessions and group therapy, to workshops on stress management and self-nurturing techniques, our aim is to provide nannies with tools and resources for self care.
